2. How to build family loyalty:
 - a. Parents need coaching techniques.
 - b. Techniques: Concept = Family as a Team

SOME TECHNIQUES:

1. Every one has a place – everyone is important to the family's goals and purposes.
2. Family that prays together.
3. The family that eats together.
4. Respect everyone – their person, thing, talents.
5. No toleration of criticism, poking fun or demeaning another family member.
6. Disputes: Investigated, handled fairly and equitably.
7. Everyone is praised for good performance. Bad behavior is not rewarded but scorned.
8. Avoid PARENTAL PATHOLOGY: inciting sibling rivalry, and the need to be loved.
9. Theme: A good name is better than precious ointment.
10. Expect high ethical behavior that brings praise to the family.
11. Theme: Don't let the family down.
